GENERAL RULES

1. The purpose of this flower show is for the enjoyment and education of all who view the show as well as the exhibitors.
2. This division is open to amateurs only. A professional is defined as one who earns his livelihood from their skills.
3. All arrangement classes will be listed as to requirement for fresh flowers,

dried flowers, or silk flowers. There will be six classes that will specify list numbers for silk flowers.

4. Proper flag etiquette should be followed if the American Flag is used in an exhibit.
5. Exhibitors may enter **ONE** item per list number.
6. Specimens are to be exhibited in **clear** glass (or heavy plastic) bottles or jars provided by exhibitors in Class 1. **(No vases). This will be strictly enforced. A jar or bottle is a container that originally had a screw on lid or cap. This keeps all exhibits on the same judging plane for the judge.**

Specimens are judged on flower, leaves (when applicable) and stems. No leaves should be in the water.

Wedging is encouraged to help specimen stand straight. To wedge, use a piece of Styrofoam or a packing peanut. No foil, handi-wrap or crisscross tape. Could possibly use tiny piece of wood. Wedging should be very unnoticeable. Fillers must not be used in bottom of container. A good idea is to have the stem of specimen touch the bottom of container, no matter its size. Consider the neck of container for specimen. Only daylilies should touch bottom of container.
7. **The name(s) of the variety MUST be written on front or back of entry tag in classes 1, 2 & 3 to be eligible to be judged for a blue ribbon. This is to be done by the exhibitor on the tag, NOT on the entry form.**
8. Added foliage materials are permitted in all design classes (Classes 4, 5, 6, 7, 8, 9 & 11).
9. Classes 9, 10 & 11 - Junior Show, are open to exhibitors 18 years of age and under and unmarried. In the Jr. Show, flowers should not be purchased.
10. Preliminary work on tables, niches, and mantels may be done 5-8 PM, Wed, July 18.
11. Flowers in all arrangement classes may be replaced for freshness by the exhibitor. Superintendents may remove or exclude any exhibit or part thereof, which is unsightly.
12. If more than 8 per class, the class will be divided.
13. NO NOXIOUS WEEDS MAY BE USED IN ANY ENTRY IN THIS DIVISION.

PRIMARY NOXIOUS WEEDS

Quack grass, Perennial sow thistle, Canadian thistle, Bull thistle, Field bindweed, Rose nettle, Leafy spurge, Perennial peppergrass, Russian Knap weed, Buckhorn, and all other species of thistle belonging in genera of Cirsium and Carduus.

SECONDARY NOXIOUS WEEDS

Butterprint, Cocklebur, Wild mustard, Wild carrot, Buckthorn, Poison hemlock, Sheep sorrel, Sour dock, Smooth dock, Puncture Vine, Teasel, Wild Sunflower, Wild Queen Anne's Lace.
